CO2 Emission (g/km)	192 - 195 g/km

The new AMG 4.0-litre V8 biturbo engine

The stunning torque of 700 Nm of this new M177 engine is unique in this segment. The AMG 4-litre V8 biturbo engine, which features even more powerful performance, accelerates the vehicle to 100 km/h in 4.0 seconds. Every detail in the Mercedes-AMG C 63 S reflects the high performance or enables it to be experienced with all of the senses.

The technology of the Mercedes-AMG C 63 S.

The AMG DYNAMIC SELECT switch with AMG-specific transmission (additional RACE mode) modes enables the character of the vehicle to be adapted perfectly to the desired driving experience. As a result, drivers of the Mercedes-AMG C 63 S are able to enjoy exciting performance on the road as well as the race track. Excellent lateral dynamics are ensured thanks to the AMG RIDE CONTROL sports suspension with 3-stage adaptive adjustable damping. Outstanding performance is also offered by the AMG high-performance brake system, which is more than a match when it comes to taming the forward thrust of the Mercedes-AMG C 63 S.
